Information about the construction works

№ n/a	Customer	Period	Description of works
1	INTERCORN CORN PROCESSING INDUSTRY PJSC	September 2015 – current	Implementation of construction-installation works: <ul style="list-style-type: none"> • Installation of concrete floors • Arrangement of foundations and retaining walls; • Polymer Flooring Installation (BASF, Sherwin Williams and etc.); • Road construction, installation of roads, with airfield and road slabs; • Dismantling works; • Manufacture and installation of metal structures; • Finishing works; • Roofing works; • Installation of engineering networks (water supply, sewerage).
2	"UKRFRUITLOGISTIC" LLC.	September 2015 - January 2016	Implementation of construction-installation, placing concrete floor with grouting of the top strengthening layer
3	"THERMOELECTRO-UKRAINE" LLC.	March 2016 - June 2016	Installation of a concrete slab with double reinforcement Installation of a polymer floor
4	DNEPROPETROVSK FOOD CONCENTRATES PLANT JSC	May 2016 - July 2016	Installation of concrete slab with double reinforcement, general construction works, monolithic works
5	AGRICULTURE ENTERPRISE SHEVCHENKO	September 2016	Installation of reinforced concrete foundations
6	"POLOGY CHEMICAL PLANT "COAGULANT" ALC	September 2016 - December 2016	Reconstruction of part of the building of the workshop for the production of special-purpose reagents
		April 2017 - August 2017	Works on laying acid-resistant tiles, manufacturing and installation of metal structures, finishing works, roofing works
		February 2019 - March 2019	Works on installation of pipelines and air ducts for the sanitary gas cleaning unit

№ n/a	Customer	Period	Description of works
7	PRODUCTION AND COMMERCIAL ENTERPRISE SERVICE PACK LLC	November 2016 - December 2016	Installation of reinforced concrete foundations Installation of magnesium floor
8	PRODUCTION AND CONSTRUCTION COMPANY AGROPROMINVEST LLC	June 2017	Installation of reinforced concrete foundations; Installation of concrete slab with double reinforcement;
9	EDEM	August 2017 - November 2017	Installation of a polymer floor
10	UKRAGROIMPEX LLC	August 2017 - December 2017 November 2017	Installation of reinforced concrete structures on the territory Yuzhnoye State Design Office
11	Department of Improvement and Infrastructure of Dnipropetrovsk City Council	June 2018	Major repairs of the building and landscaping of the territory of the Municipal Educational Institution "Secondary Educational School №15"
12	ATOMINBUD LTD	June 2018 - October 2018	Installation of concrete floor with grouting of the top strengthening layer
13	PROGRESS PJSC	October 2018 - February 2019	Installation of magnesium concrete
14	RETAL DNIPRO LLC	March 2019 - June 2019 August 2019 - December 2019 September 2021 - April 2022	General construction works, installation of concrete floor with application of polymer coating Installation of magnesium concrete level with application of polymer coating materials of BASF company Installation of polymer floor

№ n/a	Customer	Period	Description of works
15	STANDART FLOOR LLC	March 2019 - June 2019 August 2021 - current	Installation of concrete floor in the parking lot of the sports complex. 9 Installation of concrete floor business center with grouting of the upper reinforcing layer topping Installation of concrete floor parking lot by grinding the upper reinforcing layer of topping
16	TECHNOPRIM LLC	August 2019 - December 2019	Roofing works
17	BANTINA LLC	October 2019 - October 2019 December 2019	Installation of a concrete floor with grouting of the top strengthening layer Repair and construction works on the installation of the floor
18	GOLDEN LION UKRAINE LLC	October 2019 - June 2020	Installation of a concrete floor with grouting of the top strengthening layer
19	STEPOVA-AGROMECH LLC	October 2017 - November 2019	Placing concrete floor with grouting of the top strengthening layer Arrangement of reinforced concrete structures
20	ANIMALS BIO-AGRO LLC	January 2020 - October 2020	Arrangement of reinforced concrete structures Installation of concrete floor with the application of strengthening impregnation
21	Garant Metiz LLC	August 2020 - December 2020	Installation of a concrete floor with grouting of the top strengthening layer
22	AK ART-BUD LLC	March 2020 - April 2020	Installation of concrete slab with double reinforcement
23	MP DNEPROSTEEL LLC	December 2019 - April 2020 August 2020 - September 2020	Floor repair and covering with BASF materials Concreting of entrances and roads

№ n/a	Customer	Period	Description of works
24	PETRYKIVKA FISHFARM PJSC	July 2020 - October 2020 March 2021 - May 2021 October 2021 - November 2021	Finishing works, Installation of concrete floor, pavements and concrete platforms Finishing works, Installation of concrete floor, pavements and concrete platforms Arrangement of roofs from corrugated board
25	Milk Service LLC	June 2020 - September 2020	Installation of a concrete floor with grouting of the top strengthening layer
26	AGRO-OVEN LLC	March 2017 - current 2019 - current 2021 - current	Execution of construction and installation works, installation of concrete and polymer floors, Arrangement of reinforced concrete structures Installation of concrete floor (total area 50 000m ²), object: "village of Maryanivka, Magdalynivka district, PC "Maryanivskiy" Installation of concrete floor, object: "Poultry meat processing complex, at the address: 32 Molodogvardiyska Street, Dnipro"
27	TRADING HOUSE NOVIS LLC	2020 year	Installation of a concrete floor with grouting of the top strengthening layer, with preliminary preparation of the base (production base S=3 000,00m ²)
28	RUBICON PASTA LLC	July 2020 - November 2020	Reconstruction of the production and warehouse complex in Svyatovasylivka village
29	TIMART LLC	January 2020 - September 2021 March 2021 - current	Installation of concrete slab with double reinforcement; Installation roofing profiled sheet
30	SPAC STEPOVA CO.LTD.	March 2021 - current	Arrangement of reinforced concrete floor

№ n/a	Customer	Period	Description of works
31	MAX-PLAST LLC	March 2021 - July 2021	Reinforced concrete floor installation
32	PRIME LLC	May 2021 - July 2021	Arrangement of polyurethane-cement coating
33	EUROTEX PLC	June 2021	Concrete floor installation
34	ASA INVEST LLC	July 2021	Installation of concrete slab with double reinforcement; Arrangement of reinforced concrete structures.
35	TRANSLADER-D LLC	July 2021 - August 2021	Installation of concrete slab with double reinforcement. Current repair of the bridge in the city of Pyatikhatky
36	DOCENTO POLYMER LLC	July 2021	Installation of reinforced concrete structures
37	UKRAGROMECHANIZATION LLC	March 2021 - August 2021	Installation of concrete slab with double reinforcement
38	MASON-BALANCE LLC	October 2021 - December 2021	Installation of reinforced concrete floor with grouting of the upper reinforcing layer topping
39	UKRPROD SERVICE PE	October 2020 - April 2021	Installation of reinforced concrete floor with grouting of the upper reinforcing layer topping followed by the application of a film-forming agent
40	DNIPROPETROVSK SWITCH PLANT PJSC	March 2021 - September 2021 July 2021 - October 2021	Installation of magnesium floor covering
41	UDK LLC	October 2021 - November 2021	General construction works
42	UKRKOMPOZIT PLUS LLC	October 2021 - November 2021	Installation of reinforced concrete floor with grouting of the upper reinforcing layer topping followed by the application of a film-forming agent

№ n/a	Customer	Period	Description of works
43	JSC INTERPIPE VTORMET	August 2021 - December 2021	Overhaul of road surfaces and railway crossings
44	MIROPLAST LLC	September 2021 - December 2021	Earthworks, repair works of water supply pipeline
		December 2021 - current	Finishing works of the workshop and office premises
45	RENTA PRIM LLC	May 2021 - current	Arrangement of concrete ramps, entrances. Manufacturing and Installation small metal structures
		June 2021 - current	Installation of reinforced concrete structures Manufacturing and Installation of metal structures
46	ALLCOMP LTD	April 2021 - March 2022	Installation of reinforced concrete floor with grouting of the upper reinforcing layer topping followed by the application of a film-forming agent
47	RUSH LLC	May 2021 - August 2021	Installation of reinforced concrete structures
		September 2021 - current	Manufacturing and Installation metal structures General construction works
48	DNEPROPRESS STEEL Co.Ltd	December 2021 - current	Installation of reinforced concrete structures
49	BPK ATLANT LLC	March 2022 - June 2022	Installation of reinforced concrete floor
50	DEVELOP-STORY LLC	January 2022 - current	Concrete floor installation
51	PJSC SPU DNEPROPRESS	December 2021 - current	Installation of equipment, arrangement of reinforced concrete structures
